⁽¹⁾ Interest on the Variable Rate Maintenance Tax Notes is estimated at 5.00% after the initial mandatory tender date.

⁽²⁾ Since the principal and interest payments occur on July 15 of each year, the District accrues the payments in the fiscal year prior to the July 15 payment date. However, the amounts in the table above are shown in the fiscal years that the payments are actually paid rather than the fiscal year in which the payments are accrued.

⁽³⁾ Total requirements do not take into account any federal subsidies related to the outstanding Build America Bonds.

Table 9 - Authorized But Unissued Unlimited Tax Bonds

As of June 30, 2025, the District does not have any authorized but unissued debt.
